

Weekly Update 11-15-19

Invitation to Forum for Feedback on Qualities and Attributes for Chancellor

As part of the upcoming search for a new District Chancellor, there will be a series of open forums on each campus and at the District office to allow faculty, staff, students and members of the community to offer feedback about the qualities and attributes that are desired in a new chancellor. These forums will help inform the drafting of the position announcement that will be used for the chancellor search. Faculty, staff, students and members of the community are invited to attend a forum that fits their schedule, including a forum that may take place at a location other than their regular work location. The forums will be held on the dates/times listed below:

Wednesday, November 20, 2019

- District Office: 11 a.m. – 12 noon (Board Room)
- Cañada College: 1 p.m. – 2 p.m. (Building 6, Rm. 101/102)

Thursday, November 21, 2019

- Skyline College: 1 p.m. – 2 p.m. (Building 4, Room 148)
- College of San Mateo: 3 p.m. – 4 p.m. (Building 10, Room 195)

All members of the District and community are invited to attend the forum. Additional information about the Chancellor search process will be provided in the coming weeks

Radiologic Technology Student Receives Top Award

Cañada College Radiologic Technology second year student Jeannie Sanders received First Place for her scientific display at the California Society of Radiologic Technologists (CSRT) annual conference. In addition, Jeannie also won the clinical excellence scholarship awarded by the CSRT and her paper, "Tips for Radiographers: The Use of Trigonometric and Geometric Principles to Simplify Axial and Tangential Projections" has been accepted for publication in the *American Society of Radiologic Technologists Journal*, the scholarly publication of the ASRT with more than 145,000 readers worldwide.

Both Colts Soccer Teams are Victorious at Home Double Header

Tuesday, the Lady Colts kicked off a soccer double header against West Valley College. Cañada was not a very good host. The Lady Colts scored first and often, overwhelming the Vikings 5-1. Sulma Plancarte led Cañada with 3 goals and 2 assists. Chole Gallo and Alicia Soto also scored goals. The Colts wrap up conference play this Friday at home against Evergreen College. Kickoff is at 3 p.m. A victory should earn the team a spot in the NorCal regional playoffs.

In the 2nd game, the men played Coast Conference leading City College. The Colts gave up an early goal, but then scored 3 unanswered goals of their own. The 3-1 victory is the team's 5th straight, and puts them on top of the Coast-South Conference. They are currently ranked 7th in the State and 5th in NorCal. The men travel to De Anza College this Friday for their final conference match. Kickoff is at 3 p.m. Please come out to support our student-athletes. Go Colts!

Digital Art & Animation Students Accepted the 24 Hours Animation Challenge

Fifteen Digital Art & Animation students (three teams of five each) recently participated in the "24 Hours Animation Challenge" created by the California State University, Long Beach Animation Department. The teams gathered at 3 p.m. on Friday, and were given the prompt: "family." From there, the students had 24 hours to come up with a story idea, characters, and up to 30 seconds of animation showcasing their interpretation of the prompt. Once complete, the teams uploaded their work to the YouTube page of the competition before 3 p.m. on Saturday. Professor Paul Naas supervised the groups in the studio during the challenge, but was prohibited from helping them in any way. Read more about the competition [here](#).

Cañada Hosts College Day for Local High School

Cañada College Outreach Department organized the 2nd Annual College Day at Redwood High School, a continuation high school in Sequoia High School District. As part of the initiative to adopt Redwood High School, the College is working collaboratively to create a clear pathway for high school students to attend Cañada College. Dr. Jamillah Moore and Vice President of Student Services Manuel Alejandro Perez gave welcoming remarks to more than 150 9th-12th high school students with an inspiring message of community college inclusivity and accessibility for all. Both Dr. Moore and Dr. Perez shared their personal stories to motivate and promote higher education as a vehicle that has allowed them to accomplish their career and life goals. Other messages included, how Cañada College is here to support students as well as the many benefits of attending community college. Read more about the high school visit [here](#).

Please Support Fifth Annual College Jacket & Toy Drive

Cañada College has launched its Fifth Annual Jacket & Toy Drive! The donations for this year's drive will benefit families in Half Moon Bay. Last year's Jacket & Toy Drive generated more than 250 donation items for hundreds of families and we are looking to grow the number of donations this year!

What we need:

New, unused, unwrapped:

- Toys, preferably gender neutral (science sets, sport equipment, board games, etc.)
- Jackets in all children's sizes

How you can help:

Drop off donations at any of the following on campus locations by Monday, December 16:

- Building 8 (first floor)
- Office of Student Life & Leadership Development – Building 5, Room 354
- Learning Center – Building 9, Second Floor
- Library – Building 9, Third floor

- Welcome Center- Building 9, First Floor
