Program Review and Personnel Resource Request Timeline

A reminder that Monday, October 21 is the deadline to submit [Program Review](#) as well as resource and [personnel requests](#). The [Cañada College Participatory Governance Manual](#) delineates the process for requesting, prioritizing, and approving position requests. As of fall 2018, all resource requests are made as part of the Program Review process and submitted in Improve (TracDat) along with all other data, narratives, and required forms. To request new positions, as distinct from replacement hires, programs must complete and attach to their program review submittal in TracDat the appropriate personnel request form:

- Form to request a [new classified position](#)
- Form to request a [new faculty position](#)

Per the timeline below, the College President will announce personnel decisions as soon as possible, but no later than January.

Transfer Month

October is Transfer Month! All month long students are completing CSU and UC applications and the Transfer Center is offering several workshops and activities, including the annual college fair, Transfer Day. Every Tuesday all month long is a “Transfer Tuesday” and we encourage all faculty and staff to wear gear from their Alma Mater. On October 15, the Transfer Center is also hosting Transfer Day and about 61 in-state and out-of-state universities will be in attendance. The event will be held in The Grove between 10:30 a.m. - 1 p.m. During the fair, students will have a chance to meet with the university representatives to learn about their admission policies, to learn about the academic programs they offer, financial aid and scholarship availability, support services, and other available resources as well as opportunities available to students at the receiving institution. Please encourage all students to attend! Even if students are not transferring in the near future, this is a great way for students to learn about their options and the transfer requirements, and plan their coursework and finance accordingly.

Week of Action & Advocacy

Please join us for the 2nd Annual Week of Action and Advocacy on behalf of undocumented students in California Community Colleges, Oct. 14-18! As the largest post-secondary education system in the nation and serving the largest number of undocumented students in the state, California Community Colleges, and Cañada College, are committed to serving all students, regardless of immigration status. There will be a full week of events and activities planned, including “Snacks & Stories” with the Dreamer’s Club, a collaborative art project, film-screening, “Community Dialogue” and “Know Your Rights: Immigration in the Trump Era” with Carmen Torres, Immigration Institute of the Bay Area (IIBA)! A poster with the schedule of events is attached. The statewide Undocumented Student Action Week is supported by California Community Colleges, the Foundation for California Community Colleges, the Community College League of California, the Student Senate for California Community Colleges, and Immigrants Rising.

Have a wonderful weekend!

Sincerely,
Jamillah Moore, Ed.D.
