Dear Campus Community,

International Students Thanksgiving Celebration

A special thank you to the International Student Center for hosting yesterday's Thanksgiving luncheon for our International students. I enjoyed gathering over a delicious meal and sharing with our students about the reason we meet on Thanksgiving.

Cañada Women's Soccer

Congratulations to our Women Soccer team for an outstanding season! Our Cañada Colts Ladies Soccer team headed to the State Championships and finished #8 in Northern California. They also hosted Round One of CCCAA playoffs --1st playoff win for Cañada in 15 years -- all while starting 10 Freshman. We are so proud of you for a fantastic season!

Climate Survey

Starting in December, we will send out a College Climate Survey to the campus departments. We will take the data from the survey and share that information in January. Our goal is to reach out to Faculty and Staff on campus to gain additional insight into how you feel about the institution.

Happy Thanksgiving!

As I reflect on this holiday of Thanksgiving, I want to take a moment to express my gratitude for the warm and supportive Cañada College community that we share. Once again this year, I am grateful for so many things.

I am grateful to each and every one of you for your commitment to delivering on our promise of access, excellence and success to our students. I am grateful for our common bond of a commitment to social justice and equality that keeps us grounded and connected as a college community. I am grateful for our faculty and classified staffs' steadfast commitment to our students, and I am thankful for our motivated students who have entrusted us to help them fulfill their dreams.

As we enjoy the spirit of Thanksgiving let us all be grateful for whatever gifts we have in our lives and hope for a better tomorrow. Let us also remember those who have experienced loss and disruption in their lives, and the brave and committed men and women who sacrifice so much for our freedom and safety.

I wish you and your loved ones a peaceful and blessed Thanksgiving.
