

ALTERNATE PLACEMENT TEST FORM

DIRECTIONS TO STUDENTS

Complete this form if you have taken any of the tests listed below and wish to enroll in an English and/or Math course at Cañada College. If the request is approved you do not need to complete the English and/or Math placement test at Cañada College and will receive a course placement as noted below.

Submit your **COMPLETED** request with **ALL REQUIRED INFORMATION** in any of the following ways:

IN-PERSON: Cañada College Assessment Coordinator in Bldg. 9 Room 111
MAIL: 4200 Farm Hill Blvd. Redwood City, CA 94061
EMAIL: CanadaAssessment@smccd.edu
FAX: 650-306-3457

Submit completed request **ONLY ONCE** as multiple submissions delay your response. Your request is our priority but due to high demand during certain times of the year, it may take up to seven working days for a request to be processed. Incomplete forms are denied.

For placement into ENGLISH 100

- CAASPP English (Formerly EAP - Early Assessment Program)
Attach CAASPP results. (results may not be 'Conditional')
- IB Language A1/English HL (International Baccalaureate Exam)
Attach IB Exam results. A score of 4 or higher is required.
- MMAP- Completed an equivalent of 'English 11', 'English 12', 'Composition', 'Advanced Composition', 'Expository Reading and Writing', 'Secondary English/Language Arts/Reading', 'AP English Language', 'AP English Literature', 'IB International English Language' in High School within the past 3 years.
Attach a copy of your most recent High School Transcripts. A cumulative GPA of 2.3 and a grade of B- or higher in the course listed is required.

For placement into ENGLISH 110 or 165

- AP English Language or English Literature
Attach AP Exam results. A score of 3 or higher is required.

For placement into MATH

- CAASPP Math (Formerly EAP - Early Assessment Program) for placement into Math 125, 130, 145, 147, 200 or 241
Attach CAASPP results. (results may not be 'Conditional')
- AP Math CALC AB*
*Attach AP results. With a score of 3 you are eligible for Math 251.
With a score of 4 or 5 you are eligible for Math 252 and/or Math 268.*
- AP Math CALC BC*
*Attach AP results. With a score of 3 you are eligible for Math 252 and/or Math 268.
With a score of 4 or 5 you are eligible for Math 253 and/or Math 270.*

*Although AP results allow eligibility to enroll, be advised that if your college major requires Math 251, 252, and 253, your AP results may not meet major requirements. Meet with a counselor for course selection assistance.

- IB Math HL (International Baccalaureate Exam)
Attach IB Exam results. Score of 4 or higher meets Math Competency for the associate degree (associate degree area C1) or for placement into MATH 125, 130, 145, 147, 200 or 241.
- MMAP- Completed an equivalent of 'Algebra II', 'Integrated Math 3', 'Higher-Level Math (Statistics, Trigonometry, Pre-Calculus and Calculus)' in High School within the past 3 years for placement into Math 125, 130, 145, 150, 200, 225 or 241
Attach a copy of your most recent High School Transcripts. A cumulative GPA of 3.2 and a grade of C or higher in the course listed is required.

Results of your request will be emailed to your [@my.smccd.edu](mailto:my.smccd.edu) email account.

Office use only:

_____ Approved. You are approved to enroll in the course you requested.
