Cañada Community,

You are invited to attend presentations and to participate in the discussion of possible new classified staff and faculty positions. Each presenter will have a brief opportunity to summarize the most important justifications for the position. This will be followed by small group discussion of strengths, weaknesses and questions. This analysis will be collected online in real time with the presenter being present to answer questions.

One-third of the proposals will be presented and discussed on each of the following days: Tuesday, Nov. 8, Wednesday, Nov. 9 and Thursday, Nov. 10. Each day we will meet from 2:10-4:10 p.m. in room 2-10.

All those participating are strongly encouraged to read the proposals prior to coming so that you will be able to contribute in a meaningful way. Since all materials are digital, you will find it helpful to bring a laptop to the meeting. The schedule of presentations, proposals and their supporting documentation can be found at the PBC site - <http://canadacollege.edu/planningbudgetingcouncil/staffing-1617.php>. This page will be updated as information becomes available.

PBC Co-Chairs,

Debbie Joy and Doug Hirzel
