1. What was your experience? the right level?
2. Why you withdraw?
3. What might have helped you succeed?

12 out of 24 answered. Even though they answered the phone, some did not answer the interview.

it is the right level. She didn't like the teacher though. She thinks the teacher is dis-organized	1
n.a.	1
she thinks she herself need to work hard since there were lots of assignment. She doesn't really know what the college can do to help	1
right level,	1
n.a.	1
an in-class assisstant may help	1
right level, people are easy to get along with, materials are good	1
n.a.	1
Counseling and tutoring are helpful	1

doesn't matter	1
didn't like the prof.	1
just the professor's problem	1
right level, not enough time for the assignment	1
don't have enough time for the first assignment, don't want to effect the group's grade. So withdrew the class	1
college's service is good. Just need more time on the course	1
Yes. everything is good	1
Because some personal reason. He has something else to do so he dropped the class.	1
Not really, the course is pretty much self-study course.	1
Yes. nothing is interveing	1
Due to some family issues, she has to drpped all her courses.	1
All the resources are good. It would be helpful if the professor share more info on the WebAccess so the students who miss the class can go there and check the materials	1
