11. Open Forum and Feedback

Oscar: We should make a limit on how many pods (coffee) someone can use a day and restrict it to only seante members.

Vijeet: Student senate should be inclusive for students outside of senate, We could alot per day how many we put in the basket ex only 12 pods a day

Phil: Put a sign that you can only take 2 a day

Zorie: Its okay to gatekeep the coffee from students outside of ASCC

Chloe: we could allocate budget to buy 100 pods

Oscar: We can just store the pods in the back for ASCC leave the decaff outside and the caffinated ones in the back

Katie: the money is for the students so it should be accesible for everyone

Arya: Put coffee for us in the back and some in the front for others

Vijeet: Support the clubs on campus to support their events and I havent been doing that, Could chloe put that on the agenda to let clubs know they can contact me

Sergio: can we get a video of us saying thank you for the donated coffee machine

We should make other spaced feel as welcoming in the office

Chloe, maybe we could do an Executive postion workshop and see how the work is spread. Arya- lets designate people, we need people to re-read there tasks on the bylaws,
