Robotics Club  
Salsa Club  
Society of Hispanic Professional Engineers (SHPE)  
Trio Student Advisory Council (TSAC)  
Women In Science and Engineering (WISE)

### Start Your Own Club

Don't see a club you want to join?  
Start your own club. All you need is 3 other interested students, a faculty or staff advisor, and a completed club application.

## Participatory Governance

### Get Paid to Have a Voice

With over 15 subjects, you can work side by side with faculty, staff, and administrators to have a voice for students and solve campus-wide issues. You even receive \$18 per meeting attended.

It's a changing time.  
**SET YOURSELF APART**  
You need something more than a degree to get a great job.  
There are many ways to get involved that won't take time away from jobs, family obligations, and studying.

### Have A Voice

Our mission at The Center for Student Life & Leadership Development? To get you involved!  
We want to create a learning environment outside the classroom that promotes leadership development.
