Society of Hispanic Professional Engineers (SHPE)  
Virtual Reality Club  
Trio Student Advisory Council (TSAC)  
Women In Science and Engineering (WISE)

### Start Your Own Club

All you need is 3 other interested students, a full-time faculty or staff advisor, and a completed club application.

## Voice

### Participatory Governance

You can work side by side with faculty, staff, and administrators to have a voice for students and solve campus-wide issues. You even receive \$18 per meeting attended.

It's a changing time.  
**SET YOURSELF APART**

**You need more than a degree to get a great job.**

There are many ways to get involved that won't take time away from jobs, family obligations, and studying.

Our mission at The Center for Student Life & Leadership Development? To get you involved!  
We want to create a learning environment outside the classroom that promotes leadership development.
