We would like to acknowledge that Cañada College sits on the traditional land of the Ramaytush (Rah-my-toosh) Ohlone (Oh-LOW-nee) peoples, and to pay respects to past elders and honor the present community. Long before Cañada College existed, this area was home to the Ramaytush Ohlone peoples who still have a presence in the bay today. Let us not forget the colonization of this land. Let us honor the people who have stewarded this land for generations, and let us honor the truth.

I did some national research with the support of Nimsi Garcia and VPSS Perez and I wrote a proposal for the Participatory Governance scholarship that was adopted for the college and will be used as a model for CSM. I also just turned in the extensive documentation process document where, for auditing purposes, I let the district know every meeting you went to, on what dates, and linked every minutes. You should be getting paid before the end of the fiscal year! Hurray!

Working to develop something to bring to the board of trustees regarding the student headcount minimum for classes to be 10 or less students. Imagine if a class got cancelled for 19 students, that could delay students' lives!
