Lets create a permanent prayer room for our initiative,
Pantry, Piano room? would be prayer rooms

We've been given the email of higher ups that we can get in contact with to make this possible

We should consider making our own initiative too

Senate should make an initiative, appoint those who want to join, ask the cultural center who should join and find a plan of action

We have to make sure wont dont have too many senate members in the initiative, or else well have to publicize
Arya, Ignacio, Oscar and Chloe will be on the initiative
