Land and Labor Acknowledgement	Alexis	

We acknowledge that Cañada College is situated on the traditional unceded land of the Ramaytush (Rah-my-toosh) Ohlone (Oh-LOW-nee) peoples, and we respect our past elders and honor the present community. Long before Cañada College existed, this area was home to the Ramaytush Ohlone peoples, who still have a presence in the Bay Area today.

We have a responsibility to acknowledge that we as a Cañada community have benefited from the use and occupation of this land and that the tragic legacy of colonization, genocide, capitalism, racism, and oppression still impacts people today.

We also recognize the labor upon which this educational institution, state, and country is built.

We acknowledge the peoples of African ancestry who were enslaved and forcibly brought to this land, and whose forced labor played a major role in the formation of this country. We are indebted to their uncompensated labor and their unwilling sacrifice over hundreds of years—which continues to impact generations today. We honor the legacy of the African diaspora and the continued contribution of their survivors.

We acknowledge the contributions of all immigrant labor, forced labor, and undocumented people who contributed, and continue to contribute, to the building and feeding of this land. We acknowledge their immeasurable sacrifices and work that allow us to gather in this space today.

Let us not forget. Let us honor and engage with the people who have stewarded and labored on this land for generations, and let us honor these truths—by taking responsibility as a college community to continually educate ourselves about these realities, to affirm our commitment to justice through continual action, and to protect and sustain this land.

<b>BSU and Cultural Center Reparation Payment: \$500</b>	<b>Shanda</b>	<b>15</b>
<i>touched on the Senate voting to amend the Constitution, establish a student-led Oversight Committee, and approve reparations related to harm caused by a former Student Center Senator, which disproportionately impacted BSU and the Cultural Center. Dissussed Approving reparations related to harm caused by the actions of a former Student Center Senator in Spring 2025. The incident involved language placed on campus murals that met the college's own definition of hate speech and disproportionately impacted the Black Student Union, undocu center, and the Cultural Center, contributing to safety concerns and the temporary reduction of Cultural Center hours. As part of the repair and healing process, and following the impacted groups' requests, the Senate later unanimously approved providing \$500 to each group to be used at their discretion without Senate oversight. This item is being revisited because the approved funds were not added as a budget line item, and clarification is needed regarding fund allocation given Núcleo's current inactive status, including whether the funds should be held or reallocated until the program is reactivated. Alexis moves to amend this title item, Aarya. Alexis motions to allocate \$500 from the club assistance account for BSU and \$1,000 from program assistance that will be indefinitely taken out.</i>
