

Dear Student,

You are invited to participate in the virtual Transfer Day, on October 13<sup>th</sup> from 10:00 a.m. to 1:00 p.m. hosted by the Transfer Center. Currently, there are about 50 universities signed to participate. At this event you may meet with the university representative to ask your questions regarding transfer admission requirements, major preparation courses, minimum GPA requirements for impacted majors and campuses, student housing, financial aid, scholarship availability, other services, and more!

**To meet with university Representatives**

On the day of the event, you may meet with a university representative by joining their zoom room between 10a.m. and 1:00 p.m. Currently, a list of universities participating in this event, and information about their institution is available at the [Transfer Center Website](#) under the “Transfer Day” menu item listed on the left side of the screen. On The day of the event the Zoom Links will be activated.

**To meet with Transfer Center Counselor and Staff**

The Transfer Center also has staffed a zoom session for you to:

- Get any questions you might have answered
- Review your CSU and UC admission application
- Trouble shoot if you can't reach out to the participant universities.

This session will be available during the event from 10 a.m. to 1:00p.m. The Zoom Link to this session is <https://smccd.zoom.us/meeting/register/tZwkfuqhpj4jE9WGibWUSeIK30dSxUBpfg4>.

You will be prompted to provide us with:

- Your name
- Student ID number (G#)
- Email address

We hope that you will take advantage of this great opportunity to connect with the university and learn about their offering. Whether you are transferring next year or any years after, this will help you to compare and evaluate your choices, and make an informed decision on selecting a university.

If you are not sure what to ask the university representatives, may take a look at these sample questions:

- [Sample questions](#)
- [General questions](#)

If you have any questions, please email me at [sohrabi@smccd.edu](mailto:sohrabi@smccd.edu).

Thank you,  
Soraya
