

## Sofia University Articulation Information

Our bachelor's degree program General Education requirements follow the Intersegmental General Education Transfer Curriculum (IGETC) that is a general education pattern that fulfills all lower-division general education requirements. Students may take their general education requirements at Sofia or they may complete the requirements at a community college and then transfer the completed requirements to Sofia.

The IGETC pattern requires completion of a minimum of 37 semester/49 quarter units of lower division work with a C grade or better in each course. Sofia's General Education requirements are as follows (credit is specified in quarter units):

- **Area 1** - English Communication (12 units)
- **Area 2** - Mathematical Concepts and Quantitative Reasoning (4 units)
- **Area 3** - Arts and Humanities (17 units)
- **Area 4** - Social and Behavior Sciences (8 units)
- **Area 5** - Physical and Biological Sciences (8 units)

The following is a mapping for course equivalences at four local community colleges. Note that additional articulation details can be found for more community colleges at [www.assist.org](http://www.assist.org). Sofia University is equivalent to the "IGETC for UC and CSU" option.
