It is recommended to complete lower division major requirements before transferring	39,000 to 46,000 per year (includes tuition, books & living expenses)
Out of State Colleges or Universities Application fee \$55-\$75	Visit the website or acquire a catalog from the out-of-state college or university that you are considering. Work with a College Counselor or the Transfer Services Coordinator to match the academic requirements listed in the college or university catalog that include general education and lower division major coursework. See transfer website for online search engines and a flyer, "Transfer website", for list of on-line search engines.				

Admission requirements for **International Students and Non-California Residents** may be different from what is listed in the above chart. Please contact your College Counselor for specific requirements.

Consider these four transfer factors:

1. **Major:** *What major or field of study will bring you satisfaction?*
2. **Location and Size:** *What environment is most compatible with your needs and interests?*
3. **Admission Requirements:** *What specific academic requirements must you meet to gain admissions?*
4. **Cost:** *What are the fees and living expenses associated with your transfer destination? Will you apply for Financial Aid and Scholarships?*

Please direct questions to a College Counselor or the Transfer Services Coordinator located in the Counseling Center, Room 9-142
