It is recommended to complete lower division major requirements before transferring	52,000 to \$75,000 per year (includes tuition, books & living expenses)
Out of State Colleges or Universities Application fee \$60 -\$85	Visit the Admission website at the out-of-state colleges or universities that you are considering. Work with a College Counselor and/or the Transfer program Supervisor/Counselor to explore the admission and requirements listed in the university catalog that include general education and lower division major coursework. See the Transfer Center website for online search engines and a flyer, "Transfer website", for list of online search engines.				

Admission requirements for **International Students and Non-California Residents** may be different from what is listed in the above chart. Please contact your College Counselor for specific requirements.

Consider these transfer factors:

- Major:** What major or field of study will bring you satisfaction? Which university is offering the major of your interest?
- Location and Size of the university:** What environment is the most compatible with your needs and interests?
- Admission Requirements:** What specific academic and other criteria are required for you to gain admissions?
- Cost:** What are the fees, tuition, living expenses and other expenses associated with your transfer destination? Are there Financial Aid and Scholarships available?

Transfer Center is located in
 Building 9, Room 9-142
