Welcome to the San Mateo County Community College District Public Safety Department website. The three colleges in our District – Cañada College, College of San Mateo and Skyline College – serve more than 26,000 students. We are committed to providing a safe and secure environment for students, faculty, staff and community members that supports and enhances the educational mission of the colleges.

The campus Public Safety Officers are here to help you. Your safety is our first priority. Please help us by being alert, security conscious and involved. Contact your campus Public Safety Department immediately if you have a problem, concern or would like to report an emergency, violation of school policy, or criminal action.

As the Director of Public Safety, and on behalf of all the men and women of the Public Safety Department, we look forward to being of service to you. Please email me with any suggestions or information that you feel would benefit the San Mateo County Community College District and your safety on campus.
